A Musical Celebration Of Snow, Slush And Snirt!

The Story

Get ready to shiver, shimmy and shake! The North wind is starting to blow and temperatures are dropping to 10 below... zero, that is! A big blizzard is on the way as a cool bunch of jazzy, finger-snappin' snowflakes take center stage. What a glistening sight. Uh Oh! Here comes the snowplow!

Join the fun as the Flakes and Snirts help the Littlest Snowflake see how no two flakes are alike and we are all special in our own way.
